

An Associate Professor position in the area of Synthetic Organic Chemistry at Kanazawa University, Japan.

The Faculty of Pharmacy at Kanazawa University strives to enhance education and research in pharmacy. To strengthen the research organization promoting the research project "Sustainable Chemistry Research" listed in the pharmaceutical field, we invite applications for one position as an Associate Professor in the area of Synthetic Organic Chemistry according to the following guidelines.

1. Position

Associate Professor

2. Job description

(1) Education

Lectures of general education courses of bachelor's programs. Lectures, seminars, practical training, and graduation research at School of Pharmacy and School of Medical and Pharmaceutical Sciences.

Specialized education and research guidance for students at Graduate School of Medical Sciences. You may be required to teach classes in English.

(2) Research

Basic and applied research based on synthetic organic chemistry, which contributes to social development

3. Scheduled starting date of employment

As early as possible on and after August 1st, 2024

4. Qualification requirements

- Applicant must have a doctoral degree.
- Applicant must have enough experience in the field of Synthetic Organic Chemistry, and be able to promote high-level education and research.
- Applicant should be passionate about teaching at the undergraduate and graduate (master's and doctoral) levels.

5. Required documents (1 copy each)

*In addition to the printed documents, please send all the documents and the USB drive containing PDF files.

- (1) Curriculum vitae (A4 or US letter size with an attached photo and showing e-mail address and academic society you belong to)
- (2) Summary of previous research (free format within 3 pages of A4 or US letter size)
- (3) Plan and commitment to education in pharmaceutical sciences and research (free format within 2

pages of A4 or US letter size)

(4) Achievement list (A4 or US letter size)

- Publications: Classify them into original papers, reviews, books, and list them in order of publication year (Mark the original papers for which reprints are to be submitted.). List the names of all co-authors in the order of publication, underline the applicant, and put a star mark on the corresponding author. For reference, the number of citations and the latest Impact Factor of the published journal should be added. For non-reviewed publications, this should be clearly indicated as “non-reviewed.”
- Conference presentations: List only invited lectures at academic conferences, symposiums, etc. in chronological order.
- Acquisition status of research funds: Divide the research funds obtained over the past 10 years into the following categories: Grant-in-Aid for Scientific Research (KAKENHI), grants for public research other than KAKENHI, and research funds by companies and foundations, etc. List the funding name, name of the research project, duration, and grant amount. Also, clearly state the principal investigator or co-investigators.
- Educational achievements: List the educational experience at universities and other educational and research institutions, and the research guidance experiences at graduate schools, etc.

(5) Reprints or copies of 5 most significant research articles (photocopies are acceptable)

(6) The names, affiliations, addresses, phone numbers, and email addresses of two referees.

Applicants may be asked to come to Kanazawa University for interviews. Applicants must bear the expenses incurred in that case. Submitted documents such as CV will not be returned. Personal information is protected by the relevant Japanese law.

6. Deadline for application

Documents must arrive by 5:00 p.m. (JST) on Monday, April 22nd, 2024.

7. Mailing address for submitting the application

All the materials for the application should be sent to General Affairs Section of Faculty of Pharmacy and Cancer Research Institute Support Division, Kanazawa University

Kakuma-machi, Kanazawa, Ishikawa 920-1192, Japan

Tel : +81-(0)76-234-6840, E-mail: y-somu@adm.kanazawa-u.ac.jp

The document should be sent with the red mark "Application to an Associate Professor position in Synthetic Organic Chemistry" on an envelope.

8. Contact information

Prof. Junichi MATSUO, The chair of recommendation committee

Tel : +81-(0)76-234-4474, E-mail: jimatsuo@p.kanazawa-u.ac.jp

9. Others

*Kanazawa University is working to improve faculty members' teaching skills in English and strengthen English education on the premise of increasing the number of subjects offered in English.

* Kanazawa University promotes the development of diversity in the research and education environment.
